Technical drawing of a rectangular frame or tray. The drawing shows a top-down view with dimensions in parentheses: (79.4) for the overall width, (70) for the inner width, (45) for the overall height, and (54) for the inner height. The frame has a decorative corner piece on the top-left and bottom-right corners, featuring a star-like pattern. The drawing uses solid lines for the outer frame and dashed lines for the inner frame and corner details.
